

Those Crazy Frenchmen!!

In Celebration of Vail's favorite French Chef at The Left Bank Restaurant!
Chef Jean-Michel Chelain. We are sharing the excitement with all of our clientele for a limited time!!

The Left Bank is inserting scratcher lottery tickets in every tables check presenter! When you get your bill you have a chance to win! Possibly enough to pay for your dinner OR maybe even your Christmas shopping! The French are considered one of the most idealistic people in the world, and how better to celebrate the achievement of the American Dream? Chef Jean-Michel wants to share the dream, "even if just for a moment, while they scratch off their ticket!" What would you do if you won?
